### Statutory auditors' review report on the condensed interim financial statements

To the Chairman and Chief Executive Officer,

In our capacity as statutory auditors of Total Capital and in accordance with your request, we have performed a review of the accompanying condensed interim financial statements for the period from January 1 to March 31, 2020.

Management is responsible for the preparation of these condensed interim financial statements on the basis of the elements available in the evolving context of the health crisis related to Covid-19. As they are not intended to be presented to the shareholders, they have not been approved by the Board of Directors. Our role is to express a conclusion on these condensed interim financial statements based on our review.

We conducted our review in accordance with professional standards applicable in France and the professional guidance issued by the French Institute of Statutory Auditors (*Compagnie nationale des commissaires aux comptes*) relating to this engagement. A review consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with professional standards applicable in France and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed interim financial statements are not prepared, in all material respects, in accordance with evaluation and accounting principles set out in the notes to the condensed interim financial statements.

Those interim financial statements were prepared with respect to the French National Accounting Board (*Conseil National de Comptabilité*) “recommendation n°99.R.01” dated 18 March 1999 and related to the interim financial statements. They do not include all the information usually required in the financial statements according to the French GAAP. However, they present a selection of notes describing significant facts and operations in order to understand the evolution in the financial statements and performance of the company that could have occurred since the last financial statement as of 31 December 2019.

### SIGNIFICANT EVENTS

During the first quarter of 2020, Total Capital continued its activity on debt capital markets through various debt issuance programmes, in particular commercial paper, together with a management of interest rate and currency risk.

For short-term borrowings, Total Capital can issue under Commercial Paper programmes (US CP, EURO CP) and under a NEU CP (ex *Billets de Trésorerie*) programme.

For long-term borrowings, Total Capital can issue along with TOTAL S.A., Total Capital Canada and Total Capital International, as principal issuer under the EMTN programme (guaranteed by TOTAL S.A.), under a US SEC Registered Shelf programme (guaranteed by TOTAL S.A.) and under an AMTN programme in Australia (guaranteed by TOTAL S.A.). Total Capital can also issue on a stand-alone basis (guaranteed by TOTAL S.A.).

During the first quarter 2020, Total Capital did not issue any debenture loan.

Total Capital's issuance programmes have long-term and short-term ratings by Standard and Poor's: A+/A-1, and by Moody's: Aa3/P-1. These ratings were made possible thanks to TOTAL S.A.'s guarantee granted to these programmes. TOTAL S.A. has a long-term and a short-term rating by Standard and Poor's: A+/A-1 with a Negative outlook, and by Moody's: Aa3/P-1 with a Negative outlook. On 25<sup>th</sup> March, 2020, Standard and Poor's revised TOTAL S.A.'s outlook from Positive to Negative. Similarly, on April 1<sup>st</sup>, 2020, Moody's revised TOTAL S.A.'s outlook from Stable to Negative.

Interest rates and currency transactions were concluded by empowered entities of TOTAL S.A. in association with the development of the financial activities of Total Capital, towards the Group as well as the market.

### PRINCIPLE OF CONTINUING ACTIVITY

On January 30<sup>th</sup> and March 11<sup>th</sup>, 2020, the World Health Organisation respectively announced that the coronavirus epidemic which started in China in December 2019 was a public health emergency of international concern, and characterized it as a pandemic. In France, a first set of measures were announced by the President of the Republic on March 12<sup>th</sup>, 2020, and were reinforced with the announcement made by

## TOTAL CAPITAL

the Prime Minister on March 14<sup>th</sup>, 2020. This epidemic has, and will have, significant economic and financial consequences.

Total Capital, subsidiary of the TOTAL Group, implements appropriate measures to meet clients' needs.

It is not possible in the current situation to assess the net impact of this epidemic on the activity and results of the company for the year 2020.
